## **Our Camp Input:**

*Pastor David:* This year at Camp we will examine the story of Nehemiah. Many will know the basic outline of the story, where Nehemiah asks the King of Persia to be able to go to Jerusalem and help rebuild the walls of Jerusalem which lay destroyed. As Nehemiah and the people rebuild the walls, God rebuilds the people of Jerusalem. This is a timely message as we seek God to rebuild our church in way He wants.

## **Camp Q&As:**

### ***How will I be able to attend camp, when I cannot afford the registration cost?***

We want everyone in our church to be able to make it to the MLHOP family camp, so if you can't afford it, please see Raelene (some others give extra to help with this).

### ***Who is this camp for?***

Camp is for everyone - families, couples, singles, young and old. There will be a Ladies Dorm and a Men's Dorm, to cater for singles. Family dorms are limited - be quick to register so you don't miss out.

We help each other out on camp, including help with putting up tents, so you can enjoy the community atmosphere at camp right from the start. If you need a tent, mattress or sleeping bag, please let us know.

### ***How would I get to camp?***

Maps are available from the camp registration desk for help on how to get there – it's only 20 minutes away! If you need help with transport to camp - please let us know on your camp form, and we will arrange someone to give you a lift to camp.
